Company About:

Prime Doc Billing LLC streamlines revenue cycle for practices of all sizes and specialties, with extensive industry experience. We specialize in transforming struggling practices into thriving businesses by maximizing reimbursements and minimizing denials. Our team delivers exceptional customer service and customized solutions tailored to each healthcare practice's unique needs, allowing providers to focus on quality patient care while we handle their medical billing efficiently.

Our Services:

RCM Services

Credentialing

Website Development

Virtual Assistant

Verification of Benefits

Practice Management

Prior Authorizations

Accounts Receivables

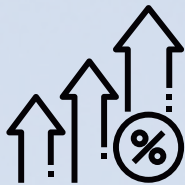

Medical Billing & Coding

Denial Management

Business Models:

TOTAL MONTHLY REVENUE

Our percentage-based billing model is tailored to each client's needs, offering flexibility in compensation. We charge a percentage of the total revenue collected on behalf of healthcare providers, ensuring our fees align with your financial success.

EMPLOYEE OUTSOURCING ON HOURLY RATES AS FTE & PTE

In our employee outsourcing, we employ resources on hourly rates that can efficiently handle the following tasks: Billing and Coding, VOBs, Authorization, Front Desk, Patient Calls, Patient Scheduling, AR and Denial Management, scribing, as well as any other job the client may assign. This assists you in managing the expenses related to arranging resources, equipment, infrastructure, and other facilities.

Benefits of Outsourcing Medical Billing Operations

1

Reduce Cost

2

Focus on Patient Care

3

Boosting Revenue

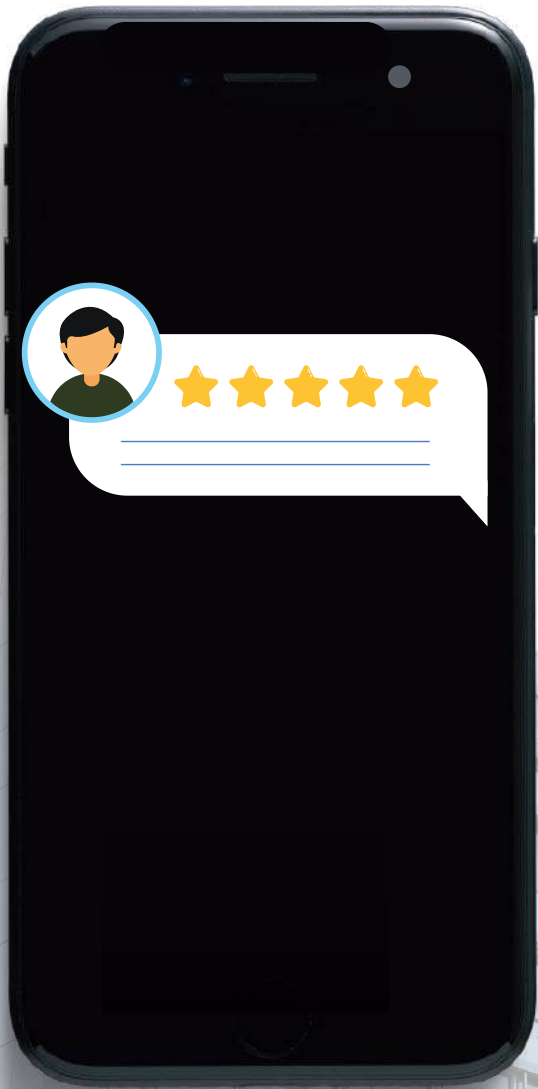

4

Dedicated Team of Experts

5

Minimize your Administrative Workload
